Snow Removal Fund Slashed By Supervisors

Tax Rate Expected To Be Cut From Last Year

Lopping $20,000 for snow removal from the county road department budget being studied by the board of supervisors at Nevada City may seriously effect the winter program here, Supervisor H. G. Loehr declared.

The action was taken during a lengthy session of the board last week with Supervisor Frank Rowe of Grass Valley heading the move to slash the road budget even over last year, when a shortage of funds threatened to paralyze transportation. At that time, through the efforts of Loehr, emergency funds were provided and the serious situation was abated.

District Attorney Vernon Stoll, however, last year warned against the action taken and it is held doubtful if the funds set up this year will be ample for the necessary maintenance.

Loehr has served notice that he will follow the wording and intent of the law and turn the task over to Road Commissioner John O'Connor. Under the Burns-Collier Act, the supervisors have no control over highway maintenance and construction but in the past Loehr has continued to lend assistance to the commissioner.

While there has been no official announcement as yet regarding the tax rate, Loehr said yesterday that in all probability, it will be materially reduced from the $2.60 basic rate of last year. This will be principally due, he said, to the reassessment program which raised considerably property valuations throughout the county.

The board has adopted the tentative budget and County Clerk and Auditor Ralph Deeble is making a study before announcing what rate can be expected. A public hearing will be held August 20.

APPEAL TO CAMP-USERS MADE BY SIERRA GROUP

The Sierra Club today appealed to high Sierra vacationers to make a special effort this year to "leave a clean camp."

Increasing use of the high mountain areas by the state's growing population is resulting in unsightly piles of tin cans, bottles and trash left by careless campers at many available camp sites, the club said.

The club urged campers, hikers, fishermen and others who visit the high country to observe good outdoor manners and offered a code of simple rules to "leave a clean camp" for the next fellow:

Burn inflammable trash such as bread wrappers, milk cartons and discarded wearing apparel in camp fire.

Burn cans in camp fire to remove paper, food odors and thin coating of tin.

Smash cans flat and pack them out of the mountains, if possible; if not, hide them in crevices of rock slides where nature will hasten their disintegration.

Hide bottles in rock slides; better yet, pack them out of the mountains with you. Do not throw them in lakes or streams.

Do not bury camp refuse; bears will speedily dig it up again, in all probability, after you leave.

The Sierra Club, founded by John Muir in 1892, is one of the nation's leading outdoor and conservation organizations, with several thousand members.

Truckee 20-30 Club To Have Fish Trip

At last night's meeting of the Truckee 20-30 Club, Lorrin Russell reported on arrangements for a club-sponsored fishing trip this weekend. The expedition will go to White Rock Lake, some leaving between 5 and 5:30 Saturday evening from Cliff Ellis' service station and others leaving Truckee early Sunday morning.

The picnic at Donner Lake last Sunday with the Sparks 20-30 was a big success. The visitors won the softball game 9 to 2.

Harvey Hocker presided at the meeting last night.

Fish and Game Plants Another Beaver Colony

The state department of fish and game this week added another in a series of beaver colonies for conservation and natural propagation of trout in the smaller streams.

Game Warden Tom Borneman reported that four males and three female beaver have been planted in the headwaters of Trout Creek. The first new colony planted this summer was on Klondike Meadows, in the shadow of Martis Peak.

Local Court Was Busy, First Half Year Report Says

During the first six months of this year, Judge F. W. Wilson of the Truckee Judicial District Court heard a total of 814 cases.

Of these eight were felony preliminaries, 371 illegal parking and 401 other traffic violations with an additional 34 other misdemeanors. There were 28 civil cases heard in the local court during that period.

Other facts in the report submitted to the Judicial Council of the State of California showed 14 were sentenced to jail, 285 forfeited bail, 76 paid fines and 33 were given suspended sentences or placed on probation.

NO RAISE GIVEN LOCAL COURT IN YEAR'S BUDGET

Judge F. W. Wilson of the Truckee Judicial District Court this week voiced dissatisfaction over the action of the board of supervisors in advancing the salary of the justice of the peace at Grass Valley to $300 monthly while leaving the local court salary at $250.

Wilson pointed out that from a standpoint of work as well as fines and fees turned in to the county treasury, the Truckee office far exceeds the one in Grass Valley. For instance, a total of 814 cases were handled in the local court during the first six months of this year.

To make the increase at Grass Valley possible without raising the budget, members of the city council there agreed to provide rent free quarters for Judge C. A. Morehouse. This rent nominally would be paid by the county.

The salary of Judge George W. Gildersleeve at Nevada City was also held at $250 monthly.

Receipts by the county treasurer Miss Elma Hecker for July showed Judge Wilson paid in $2,157, Judge Morehouse $1,806.75 and Judge Gildersleeve $89.50 for fees and fines from their respective courts.

Traveling Pastor Speaks At Rotary Club Meeting

Rev. A. A. Carmitchel, secretary of the Truckee Rotary Club, gave a talk on his recent visit to Vancouver, B. C., before a meeting of the club Monday night at Brown's Cafe.

Three of the guests were presidents of their respective clubs and were Paul Fischer, Yuba City; Lonnie Vandeever, Los Angeles, and J. Carl Connor, Fairfield. Other visitors included Wayne Hinckley, Reno; Charles Back, Lodi, and Milton Harris and Ed White, Loyalton.

The next session will be a barbecue with the Loyalton club there on August 14.

Ham Dinner Planned By North Lake Church

NORTH TAHOE— A ham dinner will be served by the ladies of the Community Methodist Church at Carpenters Hall in Kings Beach August 21 at 5:30 p.m. The proceeds will go to the building fund. These dinners are growing in popularity and everyone is invited to attend, meet their friends and enjoy a good dinner.

PLANNING BOARD APPROVES MAP

The Nevada County planning commission this week approved a tentative map of Gateway Park Subdivision No. 2, a mile west of Truckee. The map was presented by Richard Joseph, owner of the tract.

New Home Nearing Completion at Gateway

Work is nearing completion on a new seven-room dwelling being erected in Gateway Park by Contractor John Wolert for occupancy by John Wardman, administrator of the Tahoe Forest Hospital, and his family. The new home of one-story construction has three bedrooms.

Several other new homes are being erected in the vicinity and others are contemplated.

Nelson To Ask Health Exams In New Position

X-Ray Unit Here August 22nd for Chest Exams

Dr. L. D. Nelson, who has replaced the late Dr. J. H. Bernard on the Nevada County Tuberculosis Association, announced this week that he would start a campaign in the near future to require all local handlers of food and beverages to take chest and blood examinations.

This precaution, he said, would serve a double purpose. It would primarily protect the public against contagious diseases and might show infection in unsuspecting food and beverage handlers.

Dr. Nelson said the mobile x-ray unit, offering free chest examinations, would be in Truckee on Friday, August 22, and urged everyone to take advantage of the service made possible through contributions and purchases of Christmas Seals each year.

Mrs. Lester Deckwa said members of the Parents and Teachers Association will assist in local examinations during the time the unit is here, between the hours of noon and 4 p.m. and from 6 to 8 p.m. on August 22. She also stressed the importance of everyone taking advantage of this free service.

Historic Trail Markers Meet at Truckee

Two widely known California historians, who have worked for years retracing the route of the state's pioneers, met here this week to compare notes.

They are P. M. Weddell of San Jose, who has devoted nearly 35 summer vacations to marking the trail of the Donner party and other emigrant wagon roads over the Sierra, and Bert Olson of Los Angeles, past sheriff of the Westerners, who has recently been concentrating on following the Donner party's trail through the desert.

Both are doing much to perpetuate the early history of this area.

PUBLIC HEARING ON BUDGET HELD

The public hearing on the proposed $447,092 district school budget held Tuesday night at the high school brought forth neither protest nor approval and the document was passed by the local board without question. The district officers are currently busy preparing for the opening of school early next month.

WARNING ISSUED ON DRY FOREST

Warm, dry weather has materially increased the danger of fire in the area during the past week and forest service officials are issuing warning that extreme care should be taken in handling of fire and smoking.

Throwing lighted cigarettes from cars is one of the most frequent violations, officers said, and is also one of the most dangerous practices.

E., E. Boehm, district forest ranger, says all the rules governing the use of fires in the forest should be strictly observed. Violators, when apprehended, will be punished.

MARRIAGE LICENSES

Donald Robertson Pickard Jr. of Truckee and Monica Bernice Geary of Placerville were issued a marriage license in Reno during the past week, as were Jack C. E. Doke and Rose A. Silva, both of Truckee.

Attend Ice Follies—

Mrs. Reg Smart, her daughter, Karen, and Miss Ruth Burrell were San Francisco visitors on Monday and Tuesday. While there they attended the Ice Follies. Mrs. Smart brought her son, Reggie, back from a vacation visit in the bay region.

On Business Trip—

Mr. and Mrs. James Walker left last night for a few days in the bay area on business.

Sun Beams

by Walter M. Barrett

No one is more convinced that we that unnecessary governmental expense should be curtailed or eliminated entirely, but the action of the board of supervisors recently in trimming $20,000 from snow removal for the county road department seems a step removed from economy. Last year's budget for road work was far from ample as proven at the height of the winter when all funds allocated for that purpose were exhausted and it became necessary to stretch a point to obtain sufficient emergency capital to keep the transportation facilties open. We are not out of accord with the powere that be in curtailing new highways to isolated areas, nor providing expensive improvements on existing little-used roads, but we do feel that snow removal, particularly in our section of the county, is a very vital and necessary expense and we regret the action taken. Even in a mild winter, snow removal provides a serious local problem and one which should be considered well in advance when it is so difficult and even impossible to obtain supplemental funds to carry on the project.

The three fatal motor vehicle accidents in this area during the past week could have been averted. At least two and possibly all three were the result of traffic law violations, the California Highway Patrol said. For your own sake and the sake of others on the highway, use caution.

We should be thankful every day for the fine hospital which the taxpayers of this area are providing. It is impossible to definitely tell just how many lives have been saved because it is here, but the fact that it is staffed and equipped for all emergencies and has earned the praises of all who have visited there should give a sense of deep satisfaction.

ASSESSMENTS OF UTLITIES GAIN IN NEVADA COUNTY

Utility assessments in Nevada County unofficially total $10,848,110, according to reports from Sacramento. This represents an increase of $158,460 or 1.48 per cent over last year.

In Placer County the tentative utility roll for 1952-53 is $25,722,230, up $896,540 or 3.61 per cent over the previous year.

The increase was the result of reassessments by the state board of equalization. Combined with the assessments made by the counties, the utilities assessment figure brings the total tax valuation in California to about 18 billion—or more than twice what it was last year, according to Jerrold L. Seawell, Roseville, board chairman.

Johnny Sturcke Feted At Birthday Party

Johnny Sturcke, youngest son of Mr. and Mrs. Martin Sturcke, celebrated his fourth birthdate on Monday, August 4, with a party at his home here. The Indian motif was used in the appointments and a yellow and green cake was the feature attraction at the birthday table. Games and refreshments were enjoyed by Diane and Robert Kaspian, Teddy and Dickie Daniels, Douglas Nelson and the honoree's brother, Gary.

Guests at the Sturcke home over the weekend were Mr. and Mrs. Andrew Brazil of Auburn.

BULLET ENTERS LOCAL KITCHEN

Deputy Sheriff Roy Waters and Constable N. F. Dolley have issued a strict warning to boys with .22 calibre rifles to use more caution in handling them.

Mr. and Mrs. William Fordham escaped possible injury by not being at their home on Keiser Avenue Saturday when a shot was fired through their kitchen window above the sink, the bullet lodging in the opposite wall.

Waters was notified and made an investigation. Punishment will be forthcoming if the practice is continued.

Accused Slayer Pleads Innocent In Placer Court

Trial Date Is Set For Latter Part of September By Judge

Pleas of not guilty and not guilty by reason of insanity were made last Thursday in the Placer County superior court by Harlo E. Perez of San Francisco, charged with the strangulation murder of Mrs. Virginia Culver near Cisco on July 12.

Trial date was set by Judge Lowell L. Sparks for September 30 but the defense attorney, Dan Higgins, asked for a delay, the request being denied.

Mrs. Culver, her husband and their three children had been given a ride by Perez. Later Mrs. Culver's body was found in the woods on the old Cisco highway and Perez's wrecked car was nearby.

DRIVER IS FINED $300 IN TRUCKEE COURT AS DRUNK

Willie Houston Cross, 42, employed by the C&H Sugar Company at Crockett, was fined $300 when he appeared before Judge F. W. Wilson yesterday morning on a charge of driving while intoxicated, exceeding a safe speed and violating the county sobriety ordinance.

Cross was arrested by State Patrolman Lester Kelly of Roseville who was en route to Truckee Tuesday when he met the Cross car and took the driver into custody.

NEW NAME GIVEN STATE HIGHWAY PATROL DISTRICT

ROSEVILLE— Hereafter the California Highway Patrol unit here will be known as the Roseville Squad Area instead of the Placer Area. The main area office is at Fifth and B Streets in Roseville with a branch office just west of Truckee.

The area embraces US Highways 40 and 99E from the Sacramento County line to the Nevada state line and to the Yuba County line, and State Route 89 from the Sierra County line to the El Dorado County line and the Nevada state line at north Lake Tahoe.

Captain George W. Peterkin is in charge of the district.

Happy to be Out Of Valley Earthquake Area

NORTH TAHOE— Miss Jacquie Abbott has returned home after spending two weeks at Bakersfield. She was accompanied by her maternal grandmother, Mrs. Lucile Mulkey, an instructor for the Singer Sewing Machine Co., who is currently assisting in the fashion show at Cal-Neva. Miss Abbott had no liking for the earthquakes in the southland.

Out-of-Towners Attend O.E.S. Chapter Meeting

Visitors from Nevada City and Oakland were present at Tuesday night's meeting of Truckee Chapter No. 116, O.E.S. Following the session, refreshments were served in the banquet room.

OUTDOOR SPORTS MEET ON FRIDAY

An important meeting of the Truckee Outdoor Sportsmen will be held Friday evening at 8:00 o'clock at Capitol Hall, Mrs. Hazel Roberts, secretary, announced. Matters of importance to local sportsmen will be discussed and everyone is invited to attend. Johnny Ciardella will preside.

Riordan Improves—

B. J. Riordan, veteran SP employee, who has been a patient at the Tahoe Forest Hospital for the past three weeks, is fast improving in health and is now able to be up for short periods.

Ill at Hospital—

Mrs. Ernest Olson of Norden is recovering following a serious illness at the Tahoe Forest Hospital.

Accused Thief Nabbed After Tavern Robbery

AUBURN— Held by the Placer County jail on grand theft charges is Edward Joseph Maderos, one time San Quentin inmate, who is accused with the theft of between $700 and $900 from Rainbow Tavern operated on Highway 40 by Tony Donadio.

Maderos was apprehended in Sacramento. He had been employed only briefly at the tavern as night porter before he disappeared July 16. He had been using a brother's name while employed there. Another brother is currently serving a term in San Quentin.

Deputy Sheriff William Scott returned Maderos to Auburn, where he was being held in lieu of $2500 bail.

FIRE SIREN TEST SET FOR NOON SATURDAY HERE

Residents are being asked to disregard the wail of the fire siren here at noon Saturday.

According to members of the volunteer fire department and employees of the Truckee Public Utility District, a test will be made during repair on the alarm system.

DENTIST OPENS TRUCKEE OFFICE

Dr. Oliver Scow Jr. opened his dental offices in the space formerly occupied by Dr. Robert W. Affeldt Monday and reports an influx of patients. Dr. George Hahn, who will also occupy the suite for the practice of medicine, has not yet arrived in Truckee but is expected next week.

CLEARANCE SALE AT THE TOGGERY

A store-wide clearance sale is being started by The Toggery on Monday, August 11, and will continue through August 23, James Walker, manager of the store, announced. A sample of the prices be found on another page of the being offered during the sale will Sierra Sun today.

Walker said he will replenish the stock with all new fall and winter merchandise immediately following the sale.

VETS' BUILDING BUDGET IS CUT

One item in the proposed Nevada County budget allows $3500 for the Truckee Veterans Memorial Building. This compares with $3950 budgeted last year of which $3610.94 was actually spent. The sum of $7,076 was budgeted for the Grass Valley Veterans building.

Another item was $280 for the Donner Summit Memorial Building for rent.

DR. NEEDHAM IS LIONS SPEAKER

Dr. Paul C. Needham, in charge of the experimental station for the University of California on Sagehen Creek, gave an enlightening and interesting talk before the Lions Club last night on his recent visit to Mexico where he studied fish life for the purpose of possible planting in this country.

Other guests included Ted Burnett, San Marino; Roy S. McCarthy and Ed Gibbs, Whittier; Kieth MacDonald, Nevada City; Bob McGuire, San Jose; James Bays, Truckee; Paul Oehler, Auburn, and Mike Lebedorff, Marysville.

Angelo Besio presided and C. R. Heller was program chairman.

CHAMBER SESSION SET FOR TONIGHT

The first meeting of the Truckee Chamber of Commerce under its new schedule of meeting once monthly, will be held at Brown's Cafe tonight at 7 o'clock. Dinner will be served and all members are urged to be present. Reg Smart will be in charge of the meeting.

Move to Capital—

Mr. and Mrs. John Petersen and son Chad have left to take up residence in Sacramento.

Three Killed In Motor Crashes In This District

Several Are Critically Hurt In Series Of Mishaps

Three men are dead, at least eight other people, including three members of one family and four of another, were injured, some critically, in a series of motor vehicle crashes in this area during the past week.

The dead are:

Robert Lockman, 35, 1726 90th Avenue, Oakland.

Joseph T. Michaels, 26, Roselle Park, New Jersey.

John Galleher, 67, Los Altos.

Lockman was killed at 4:30 o'clock yesterday morning when the new Oldsmobile sedan he was driving crashed headon into a Stead Livestock Company truck a quarter of a mile west of Cisco. The truck was driven by Norman V. Tombre, 31, Reno, who was not injured.

Mrs. Eloise Lockman and the couple's three children, Robert, 9; Michael, 5, and Barbara, 2, were seriously injured.

Worst Accident

State Patrolman William Gautsche said it was probably the worst of many years of patrol service. Parts of the car, its occupants and contents were scattered over a wide area as though the vehicle had exploded. One headlight was found on the porch of a house 100 feet away.

Witnesses told Gautsche the Lockman car was attempting to pass an Oregon-California-Nevada Fast Freight truck driven by William Cross of Reno. The cattle truck loomed up directly in the path of the smaller vehicle. Lockman swerved onto the side of the road to avoid a crash, his car struck a large rock and rebounded 15 feet back into the path of the truck, where it was demolished.

Go to Hospital

Lockman was rushed to the hospital by Truckee ambulance and lived until 7:30 a.m. His wife has critical head injuries and the children have lesser hurts, although one was described as serious.

The body was taken to the Truckee Colonial Mortuary.

Crashes into Rock

Michaels, display truck driver for the American Can Company, was believed instantly killed a mile east of Hirschdale Sunday shortly after noon when the truck got out of control and crashed into a large rock. Sgt. Frank Smith and Patrolman Roy Stallard investigated.

While no conclusive explanation of the mishap was immediately available, officers surmised that Michaels was forced off the right hand side of the highway to avoid a collision with another vehicle.

The body was taken to Oakland and dispatched by plane to New Jersey by the Truckee Colonial Mortuary.

Headon Collision

Galleher expired Sunday morning as the result of a headon collision with a car driven by Alberta Gratias Wild, Berkeley, just east of Rainbow Tavern at 6 o'clock Friday evening. Stallard and Gautsche investigated and Mrs. Wild was cited for driving without due caution and being on the wrong side of the road.

Stallard said the Wild car skidded on the wet pavement and struck the eastbound Galleher vehicle.

Both Galleher and his wife, Mina, 67, were rushed to the Tahoe Forest Hospital. Mrs. Galleher

(Continued on Page 8)

SCOUTS ENJOY FISHING TRIP

Nine members of Truckee Boy Scout Troop No. 7, headed by Scoutmaster Clarence Osburn, took a three-day jeep trip to White Rock Lake, Paradise Lake and North Creek for a fishing and hiking outing. The group returned Sunday, each with a limit of trout.

VALLEY MATRON LOCAL PATIENT

Mrs. Ray Hughes of Nicolaus, wife of a well known stockman, has been a patient at the Tahoe Forest Hospital undergoing treatment by Dr. L. D. Nelson for a rare heart condition. Mrs. Hughes recently underwent a delicate operation in a Boston hospital for the replacement of heart valves. She highly praised the local hospital and its staff.

On Vacation—

Janice Buehler, daughter of Mr. and Mrs. Elwood Beuhler, is vacationing at Paso Robles, following a two-day camping trip to Yosemite.

NORTH TAHOE

by THELMA BURROUGHS

Mrs. P. R. Murray is in St. Mary's Hospital at Reno critically ill. Her husband, Bob, was at his Tahoe Vista home Tuesday, interrupting a five-day vigil at the bedside of his wife, Alice, who has been hospitalized for the past two week's. Bob's cousin, Sada Welschke of Chico, has come up to help in this trying time.

Mr. and Mrs. Arnold W. Miedema have purchased the Donald H. Parce home on Brockway Golf Course Road at Kings Beach. Miedema was a business partner of Harry Charrison before the latter came to Tahoe and the judge welcomed his erstwhile partner to the North Lake Tahoe area as a permanent resident. Miedema is employed by the state department of agriculture at Truckee.

Among the thousands of Lake Tahoe vacationers are Mrs. Wyman Williams, daughter of the Miedemas, and Mrs. Arthur Dixon, sister-in-law of Charrison, of southern California.

A most pleasant surprise came to us in the form of a chat last weekend with Florence Miles. Florence and Mulford, with their sons, David and Douglas, were up for several days last week visiting with the Bill Althof family, other relatives and friends, from Oakland. Doug Miles is just home from three years in sunny Italy with Uncle Sam's armed forces. His folks are really happy to have their son home again. Incidentally, the Miles have sold their interest in Brockway Pines Resort.

The North Tahoe Fire Control organization has now opened a drive to finance its second truck and a fire hall to house the equipment. Property owners—and anyone else—interested are asked to contribute as generously as they can. Directors of the organization, who will accept any contributions and channel them for the best use, are P. M. Burroughs, Tahoe Vista; Harry Stubley, Kings Beach, and Eugene Jarvis, Crystal Bay.

The third week of Camp Pahatsi, Boy Scout summer camp near Donner Summit, opened with Troops 31 of Kings Beach and 34 of Downieville in attendance, with their leaders, Dave Gilmore and C. E. Mandeville of Kings Beach, and Angus James and Rev. O. B. Powers of Downieville in camp. North Tahoe boys earning advancement at the court of honor Saturday night were Scott and Barney Gilmore; Jay, Clyde and Dick Mandeville. Among others receiving recognition for Scouting work was Eddie Rankin of Truckee, who received his second class badge. Other Scout troops represented were 11 of Roseville, 18 of Lincoln, 26 of Foresthill and 4 of Grass Valley, all under the direction of Commissioner Gerald C. Smith of Roseville.

The marriage of Gordon Ellis and Tommie Jean Case, both of Long Beach, was solemnized on August 2 at Kings Beach in a ceremony performed by Judge Harry Charrison in his home. The couple journeyed to Tahoe, they said, to take the vows at the most delightful spot in the world. They are honeymooning at Tahoe Vista before returning to Long Beach, where they will make their home. Mr. and Mrs. Arnold W. Miedema were witnesses to the ceremony and Mrs. Charrison served refreshments. This is the sixth wedding ceremony for Judge Charrison so far this season.

Tahoe Man Major With U.S. Forces in France

WITH U. S. FORCES IN FRANCE— Major Coleman P. Borders of Lake Tahoe is now serving with the European Command Communications Zone in France.

The Zone is responsible for the transportation of men and supplies from French ports to U.S. forces in Germany. Its headquarters is in Orleans, France, and it maintains a base section at New Rochelle.

Major Borders wears the Asiatic-Pacific Campaign Medal with arrowhead for service in World War II. He attended the University of California before entering the army in December, 1941.

His wife, Margaret, lives in Stuttgart, Germany.

REGION INSPECTORS TOUR TAHOE NATIONAL FOREST

The Tahoe National Forest is now undergoing a thorough inspection by a team of inspectors from the Regional Office, composed of Assistant Regional Forester Andrew Brenneis and Deputy Fiscal Agent Bruce Strickler. They will be located on the forest for a period of 21 days and will cover every activity of land management engaged in by the personnel of the Tahoe Forest. Forest Supervisor Guerdon Ellis is accompanying the group as will the district rangers and other employees from time to time.

"Though the inspectors will look into all of the work done on the frest, in a few words," Ellis said, "they are gauging the efficiency of management and determining if the expenditures of federal funds is to the best advantage of the public."

Also being explored are the possibilities of even greater contribution to the social and economic wlefare of Nevada, Placer and Sierra Counties by the Tahoe National Forest.

Of particular interest to the inspectors is the condition of the forest fire organization, the amount and degree of damage to the forest's timber stand and physical improvements caused by last winter's unprecedented snows and testing the safety habits of the forest employees.

"The inspectors have so far been impressed with the increasing pressures for expanded and improved recreation facilities," Ellis further stated. In many places the inspectors observed that people are camping along streams and lakes because of the lack of adequate campground facilities and without due regard for sanitation and public health, which is becoming an increasing problem on the use of government wild land.

The increase in forest receipts from $600,000 in the fiscal year 1951 to $900,000 in the fiscal yea ending June 30, 1952, (such increase being brought about by the marked increase in the cut of timber on a sustained yield basis) was commented upon with commendation.

The team has expressed pleasure with the high water yield from the forest for power and irrigation and have viewed the critical watershed situation on the Nevada side of the Sierra where unsatisfactory range conditions contributed along with heavy rains in November, 1950, to the heavy flood damage at Reno.

Also subject for commendation was the excellent progress made in the control of the dreaded white pine blister rust disease, which is being done by various firms under contract to remove from the infected areas the disease host plant, gooseberries.

Unemployment Claims Show Increase

SACRAMENTO —(C. N. S.)— Slight increases in the number of new claims, the number of claims paid, and the total number of claims filed marked California unemployment insurance activity for the week ending July 17, department of employment officials report.

The Grass Valley office received the previous week. It received a 15 new claims, compared with 11 total of 79 claims (and paid 57) compared with 72 the week before.

The number of new claims received throughout the state totaled 15,556, a three per cent increase over the previous week. Paid claims increased one per cent to 74,860, and total claims one per cent to 101,119.

Hoover Dam

Hoover Dam on the Colorado River is 726 feet high and stores 31,142,000 acre feet of water.

NOTICE OF GENERAL ELECTION, TAHOE FOREST HOSPITAL DISTRICT

Pursuant to an order made unanimously by the Board of Directors of the Tahoe Forest Hospital District, the hereinafter mentioned election be held.

NOTICE IS HEREBY GIVEN, that the biennial hospital district general election shall be held in the Tahoe Forest Hospital District on Tuesday, the 4th day of November, 1952, for the purpose of electing two directors for said district. The following offices are to be filled at said election:

TWO DIRECTORS AT LARGE.

Candidates for the offices set forth above may secure nomination papers from the Clerk of said District, which nomination papers must be filed with the Clerk of said District not later than the 31st day of August, 1952.

Dated: July 29, 1952.

CHAS. R. HELLER, President of the Board of Directors of the Tahoe Forest Hospital District.

JAMES A. SHERRITT, Clerk and Ex-Officio Secretary of said Board of Directors.

First Publication July 31, 1952.
Final Publication August 28, 1952

SWANEE'S
Tahoe Letter

Tahoe City, August 3

Dear Tahoeites:

I'm a little late in catching up with news of the Arthur (Pete) Ables, who are enjoying a three-day vacation at Tahoe Park at the home of her parents, the Stanley Boltons. Pete and Ditty are at long last free to pursue their normal married life following Pete's discharge from the Navy after four years of service. He was stationed two years of that time at Guam and received his discharge at Little Creek, Va., on June 15 this year. His wife joined him in virginia in December and remained there until June. Neither of them had any love for the hot weather thrilled to get back to Tahoe's cool back there and were more than green shores, although they moved almost at once to Citrus Heights, about six miles from Roseville, where Pete is now employed as an electrician for the Southern Pacific. Also working there is Gene Pilley, husband of Ditty's sister Jean, the Pilleys residing in Auburn. Many of their friends here have not learned yet that Jean became the mother of a second little daughter in an Auburn hospital on March 22. The little lady weighed in at 6 pounds 11 ounces and has been named Catherine Michelle. She has a small sister two years old, Linda Lisa.

The recent visit of the Mobile Blood Bank to Tahoe was not very encouraging, only 18 donors showing up at Tahoe City to donate. But Mrs. Jeannette Mitchell, who was chairman for Highway 89 south, believes the fault lies in the hours which were allotted to this area. Almost everyone works at this time of the year and the hours 9 a.m. to 2 p.m. were not convenient for most folks. She believes that evening hours would have enabled many who expressed willingness to contribute their bit to fulfill their promises. A plan is now being completed whereby the names of prospective donors will be registered by Mrs. Mitchell in her district and by Jimmie Martin in Tahoe City, with the help of members of the Women's Club of Tahoe. When a total of 100 names has been assured, the mobile blood bank will again be contacted and arrangements worked out to make another trip to the lake, at which time it is hoped a better showing will be made. The time has been tentatively set for the second week in September, with a specific date to be announced as soon as determined. Hours will be set for late afternoon and evening, giving all an opportunity to aid in this worthy cause.

Mrs. Marie Henry wants to remind local residents of the coming visit of the Placer County Health and Tuberculosis Association's mobile chest x-ray unit from Auburn, which will visit Tahoe City and Kings Beach August 21 and 22 resspectively. Service is free and hours here will be from 10 a.m. to noon, 3 to 6 p.m. and 8 to 9 p.m.

Charles and Dick Chlubna, sons of the Charles Chlubnas of San Francisco, who have been vacationing at the Imon Mitchell home for the past five weeks, have returned to their homes. Now residing at the Mitchell home is Loren Holmwood, internationally famous portrait artist, who has just arrived to spend the rest of the summer.

Mr. and Mrs. Bert Scott have returned to their summer home in Tahoe Park after a visit of several days to their Piedmont residence.

Weather conditions remain just beautiful, with no thunder storms for the past few days.

My recent limp went a little "limper" last Saturday in Reno, where I had a minor operation on my right big toe. Am still able to hobble around, however, so I expect to live. Leave you for the week with best wishes for good health and happiness to one and all, as ever, Swanee.

Thunder Showers Deposit .94 Inch Precipitation

TAHOE CITY— The level of Lake Tahoe on Monday morning morning stood at 6228.78 feet, according to A. E. Frodenberg, offi- observer. During the week before a total of .94 of an inch precipitation was recorded at Tahoe City. Daily high and low temperature readings were July 28th: 75, 52; 29th: 74, 50; 30th: 68, 55; 31st: 76, 49; Aug. 1st: 74, 45; 2nd: 75, 47; 3rd: 79, 49; 4th: low 46.

75 Per Cent of Rain Should Fall Before March 4

BERKELEY— A survey of California rainfall for the past 60 years shows that, on the average, 25 per cent of precipitation falls by December 16, according to Dr. John Leighly, professor of geography at the University of California.

Dr. Leighly said that by January 24, fifty per cent of the state's rainfall usually is recorded and 75 per cent by March 4, which normally marks the end of the so-called rainy season.

Fort Bragg Founder

C. R. Johnson, founder of the Union Lumber Co., laid out Fort Bragg in 1889 and when it was incorporated became its first mayor.

TAHOE BILTMORE UP AGAIN ON AUCTION BLOCK

CRYSTAL BAY— Tahoe Biltmore, the big Lake Tahoe resort that had plenty of everything except customers, will go on the auction block August 15, the Reconstruction Finance Corporation announced this week in San Francisco.

The RFC underwrote 75 per cent of a $488,000 construction loan when Tahoe Biltmore was erected a few years ago and it will be trying to salvage its investment at the auction.

Located at the north end of Lake Tahoe, the hotel and casino was opened in July, 1948, but quickly went bankrupt.

The opening was attended by the greatest fanfare ever seen at the lake but Tahoe Biltmore proved to be a white elephant. A couple of attempts to reopen it and operate at a profit were notable failures.

The furnishings were sold about two years ago by the referee in bankruptcy and the receipts were applied against a mountain of debts. An effort was also made to sell the building itself but there were no takers.

John S. McCullough Jr., district chief of the RFC, said the auction August 15 will be conducted by Milton Wershow and David Weisz, San Francisco auctioneers.

Tahoe Biltmore was in the news not long ago when a congressional committee scored the RFC for underwriting the construction loan.

O.K. Assessment Roll For North Tahoe Area

AUBURN— Placer County's supervisors have authorized Assessor Lloyd Geraldson to prepare an assessment roll for the North Tahoe Public Utility District. The estimated cost is $300.

Kindopp Guests—

Mrs. Dorothy Kindopp was hostess to members of the Auburn Business and Professional Women's Club at her Lake Tahoe summer home last weekend.

Auburn Jeep Caravan Jolts Over Rubicon Trail to Tahoe

AUBURN— Traveling over a route that members reported even "a respectable horse wouldn't travel," 65 members and guests of the Auburn Jeep Club, traveling in 21 Jeeps, undertook a back road junket to Lake Tahoe recently. It was the second annual trek of the organization.

Leaving Auburn Saturday, July 26, the group drove to Wentworth Springs where they spent the night at the lodge owned by Orrin Ellington, starting out at 6 o'clock Sunday morning for the more hazardous "scenic railway" part of the trip.

"We saw many ghost wrecks of touring cars whose drivers had attempted what we were doing," reported John Robinson on his return. "At times the water hazards reacred the floor boards of the jeeps and at times it seemed there hadn't ever been a road there."

The route took them to Lone Lake, Spider Lake, over a trail blocked by sluice slides and fallen trees, finally to Rubicon Springs, after a visit at Buck Island Lake with the Victor Wikanders. Wickander is a retired civil engineer from Lake Tahoe who, with his wife, spends his summer on one of the islands at Buck Island Lake.

At Rubicon Springs, once a fashionable resort, the party found the old lodge destroyed by the heavy snows of last winter. Some log cabins are still standing but not habitable. Rubicon Springs was a two hour lunch stop and members of the party found the water from the famed springs still as refreshing and reviving as operated until the late 1920s. The Rubicon Springs resort operated until the late 1920s with its own post office.

From there the party travelled to Miller Lake and to Chambers' Lodge, Lake Tahoe. Dinner was served the intrepid 65 jeepsters at the latter resort.

"It was never a question of turning back," reported one of the group. "Even if one did there was always those ahead of you that set the example—and then those right behind you precluded turning around.

"Besides, by turning backwards, the trip would have been just as difficult as going straight ahead."

In the caravan were 15 Jeeps from Auburn, two each from Roseville and Georgetown, and one each from Sacramento and Berkeley. In the first trek staged last year seven Jeeps participated.

One of the highlights of the trip this year was the capture of a live rattlesnake by Bill Durham of Auburn, who now has it on display in a jar.

The route traveled is one of the possible trans-Sierra all-weather routes. Members stated that part of the route followed was probably part of the pioneer route known as the "Rubicon Trail."

TRAFFIC MORTALITY RATE CHANGE SLIGHT IN REGION

During the first six months of this year, there have been 64 major motor vehicle accidents in the Placer - Highway Patrol area, which extends from the Sacramento County line to the Nevada state line.

The 64 compares to 56 for the same period last year. There have been 13 fatalities in the area during 1952 and 16 were reported during the first six months of 1951. There were 260 injured this year as compared with 288 last year, according to a report by Captain George Peterkin.

In the patrol area which covers western Nevada County and Sierra County, the six months period of 1952 showed one fatality and 62 injured. This compared with two deaths and 70 personal injuries for the corresponding period of 1951. Total accidents involving fatalities and injuries from January to June this year amounted to 42 compared with 47 for the same period last year.

Rural traffic accidents in California during the first six months of this year killed 1,136 persons and injured 21,391, the California Highway Patrol said, adding that final reports from cities would push the toll even higher.

The highway casualty list was the price paid for almost 14,000 accidents, about 7½ per cent more than during the January-June period in 1951. Deaths jumped 6 per cent and injuries were up 9 per cent.

Arizona Federal Lands

In Arizona 53.4 millions of acres of land are federally owned.

Patrol Impounds Cars Of Drunk Drivers

SACRAMENTO —(C. N. S.)— Drunk driving led to the impounding of 225 vehicles by the California state highway patrol during June, patrol officials reported today.

Impounding of other vehicles included 44 under violation of registration requirements, 85 under theft and unlawful driving of a vehicle and 73 under authority to remove vehicles from public highways.

During June, the patrol placed in storage a total of 1,012 vehicles valued at $506,000, officials said.

Telegraph communication between San Francisco and Los Angeles was established Oct. 8, 1860.

From where I sit ... by Joe Marsh

Attention Ladies!

Cakes lined up—each with a number. Judges looking, breaking off pieces, tasting. The winner? Number 4—a cake with a wonderful, glossy chocolate frosting.

This was at the Women's Club last night. Then Duke Thomas stepped up—*his* cake was Number 4! Seems his missus was laid up, so Duke took over—and won!

Here's Duke's prize-winning frosting recipe:

Melt 3 squares unsweetened chocolate in double boiler. Remove from heat, add 1½ cups sifted confectioner's sugar and 2½ tbs. hot water and blend. Add 3 egg yolks, one at a time, beating well after each. Add 4 tbs. butter, beating thoroughly after each tbs. Fills and frosts 8-inch, 2-layer cake.

From where I sit, we all have different abilities and tastes... and these differences are sometimes surprising. Duke bakes prize-winning cakes. My wife, for example, can beat most any man at checkers. Same when it comes to beverages—you may like coffee or tea while I prefer a refreshing glass of beer. But let's not have any "half-baked" ideas that people are all the same—or *should* be.

NOTICE TO CONTRACTORS

Notice is hereby given that the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, State of California, hereinafter referred to as the "Owner" will receive up to, but not later than 8:00 P.M. on the 11th day of August, 1952, sealed bids for the award of a contract or contracts for resurfacing the "Utility Court" at the Tahoe Lake Elementary School, located on Grove Street at Tahoe City, Placer County, California, and shall be opened and publicly read aloud at the above stated time and place.

In accordance with the provisions of Section 1770 of the Labor Code, and local laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft	Hourly Wage Rate	Per Diem Rate	Legal Holidays and Overtime
Bricklayers	$3.25	$26.00	$6.50
Carpenter-Lake Tahoe Area	2.64	21.12	**
Cement Finishers	2.42	19.36	*
Electricians	2.75	22.00	5.50
Glaziers	2.165	17.32	
Iron-Reinforcing	2.45	19.60	4.90
Laborers-General	1.70	13.60	***
Painters & Decorators - 8 hrs. temp.	2.25	18.00	
Plumbers	2.75	22.00	5.50
Roofers	2.50	20.00	****
Sheet Metal Workers	2.50	20.00	5.00

* For the first two hours after the regular work day, overtime shall be paid for at the rate of time and one-half. All additional time worked up to 8:00 A.M. and on Saturday, Sunday or holidays shall be paid for at the rate of double time.

** For the first four hours after the regular work day, overtime shall be paid for at the rate of time and one-half. All additional time worked up to 8:00 A.M. and on Saturday, Sunday or holidays shall be paid for at the rate of double time.

*** First four hours after eight hours of work Monday through Friday and eight hours on Saturday shall be paid for at the rate of time and one-half. All additional overtime worked on any said day by any employee shall be paid for at the rate of double time. Sundays and holidays, double time.

**** Any additional time worked after the first eight hours of the regular work day and Saturday and Sundays shall be paid for at the rate of time and one-half. Holidays shall be paid for at the rate of double time.

OVERTIME: Saturdays, Sundays and holidays - double time unless otherwise shown.

Each bid must conform to the requirements of the Plans and Specifications and all other documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the office of the Superintendent of Schools, Truckee, California.

No bid will be considered unless it is made on a form provided by the Superintendent of Schools and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond shall be given as guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the contract to the bidders.

The successful bidder will be required to furnish a labor and material bond in an amount equal to fifty percent (50%) of the contract price, and a faithful performance bond in an amount equal to one hundred percent (100%) of the contract price. Said bonds shall be secured from a surety company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids, in part or in total, and-or waive any irregularities or informalities in the bidding.

Dated this 23rd day of July, 1952.

SHOWERS DID NOT DAMPEN OUTING OF HOSPITAL VETS

TAHOE CITY— Despite thunder, lightning and a downpour of rain most of the day last Thursday, the ten veterans from the Reno veterans hospital who were guests of the Women's Club of Tahoe had a good time.

Luncheon was to have been enjoyed in the Pineland Bowl but the weather made that impossible in the open amphitheater so plans were altered and Mr. and Mrs. Ralph Sears, owners of Sunnyside Lodge, threw open their dining room and lobby to accomodate the party.

Ladies of the club who donated and cooked the delicious luncheon, which consisted of several kinds of salad, macaroni and cheese, ravioli from Bacchi's at Lake Forest, stuffed rolls, assorted canapes, lemon and apple pie and coffee, included Mesdames Jeannette Mitchell, Gladys Anderson, Louise Geier, Pearl Snyder, Stella Watson, Marguerite Webb, Gladys Friday and Zella Mortimer. Some of the visitors had a speedboat ride after lunch.

A water skiing exhibition was staged for the men by Sears' employees during the luncheon and entertainment was furnished by Mrs. Frances Carlson, who sang several numbers accompanied by Mrs. Charles Beardsley, both ladies residents of Pineland, and Mrs. Webb, who read several of her humourous poems.

The group making the trip included Louis McCrea, George Sickling, Lacy W. Haws, John Turner Jr., James Shannon, Hobart Newsom, William Sickey, William A. Snow, James Wood and Charlie Williams, all from the hospital, and Edwin Cardinal, recreation director for the hospital. Two station wagons, one from the hospital and one from the AWVS of Reno, furnished transportation, drivers being Phyllis Walsh and Helen Reed of the Reno AWVS. A grand time was had by all and the club members plans to repeat the performance in Septemher.

TAHOE WYE STOP SIGN IS SOURCE OF COURT FINES

TAHOE CITY— Violators of the Tahoe City wye stop signs are proving a consistent source of business in the court of Judge C. W. Vernon. Six motorists were cited in week which ended Monday, each paying a $5 fine.

John Regan, San Quentin guard, cited for a bad pass in the Homewood area by Patrolman T. F. Sheehan, pleaded guilty before the local judge and paid a fine of $25.

Elizabeth P. Miller, San Francisco, ran through the Tahoe City stop sign at 40 miles per hour and continued on through town at the same rate of speed, violating the town's 25 mile per hour speed limit. Cited by Sheehan, she paid a fine of $30.

Ernest C. Van Gorder, Tahoe City, was cited by Sheehan for excessive speed for the condition of the highway, being on the wrong side of the road anl possessing no driver's license. He was fined $40, which he paid for the first two offenses, and $50 for having no valid operator's license. The second fine was suspended on the provision he produce a valid California license, which he told the court he had. Van Gorder was injured and his car was wrecked in the resulting accident, on Highway 89 four miles south of Highway 40.

ANGLING LICENSES

SARAMENTO —(C. N. S.)— Up to July 1 of this year the state sold almost 600,000 angling licenses for $1,837,000, a nine per cent increase over sales for the first six months of 1951.

INCREASE IN USE OF LIBRARY AT TAHOE NOTED

TAHOE CITY—Mrs. Ruth Hoffman, librarian at Tahoe City's Julia Bechdolt Memorial branch of the Placer County library, had as a visitor Saturday afternoon Miss Jane Cotton of Auburn, the county librarian, who brought along some new books for local readers, including a set of O. Henry stories, donated last year by the William Grants of Napa.

Hours this season remain the same as last — Monday, Tuesday, Thursday and Friday, 1 to 4 p.m. and Wednesday night 7 to 9.

Mrs. Hoffman reports patronage steadily on the increase with approximately 200 more books circulated during this past July than a year ago, the total being 708 for the month.

NEW RECORD FOR LUMBER CUT ASSOCIATION SAYS

SAN FRANCISCO— A near-record lumber cut so far this year has been reported by the West Coast Lumbermen's Association on Douglas fir sawmills for the first half of the year.

Production was reported at 5,095,371,000 board feet with shipments of 5,092,065,000 and orders at 4,016,401,000 board feet.

Weekly averages of lumber cut increased in June to 200,251,000 feet, an increase to 107 per cent of the 1947-51 average, and a gain over May, when time was lost due to a 17-day strike. The cut this year is running 104.7 per cent of the last five year average.

Weekly orders for June averaged 184,517,000 feet; shipments 189,331,000 feet. Weekly production averages in May were 172,630,000 feet or 92.2 per cent of the 1947-51 average. Weekly May order averages were 165,181,000 feet; shipments 177,875,000 feet.

Six months of 1952 cumulative production totaled 5,095,371,000 feet compared with 5,469,641,000 feet for 1951 and 4,694,280,000 feet in 1950. The industry's unfilled order file was at 828,261,000 feet at the end of June and gross stocks at 963,024,000 feet.

Pine Production

Production of pine lumber during the week ended July 19 totaled 76,768,000 feet, the Western Pine Association reports on the basis of figures supplied by 113 mills.

This was up sharply over the 56,904,000 feet cut in the preceeding week but off from the 77,719,000 feet produced in the corresponding week last year. Orders for the week were 69,949,000 feet and shipments 68,360,000 feet, the association reported.

For the year to date, orders are three per cent less than for the same period in 1951 while shipments show a four per cent, and production an eight per cent, decrease.

The city of San Francisco was incorporated April 15, 1850.

My Place in the Sun

by DOUG BARRETT

Vern Hocker mounted on crutches.....after gashing his right foot on a chunk of submerged broken glass while swimming..... required six stitches to close it up.....Nace Firpo didn't look a day older on his birthday.....which was Monday, August 4.....Hugh Weinand writes from San Bruno that a "flying saucer" was reported in the San Mateo area about the same time Martin Johnson said he saw one over Donner Lake.....In the office was A. L. Wisker, sole inhabitant of Meadow Lake, historic mine boom town of the 1860s near Donner Summit.....he spends his summers in the only sound building in the community and surveys the ruins of a city which once boasted 5,000 inhabitants.....and a stock exchange..... Ernie Fleming was in Rasco Monday buying some likely lures for Truckee River trout.....and reports he's moving from Auburn to Reno where he will enroll at University of Nevada for the fall semester..... To vote November 4, you have to be properly registered before September 11.....you can get that way at either the Sierra Sun office or the Public Utility office in Truckee.....or with Fran Couillard at Soda Springs.....Walt Stabler, SP telegrapher here for some time, taking his leave of Truckee Monday.....on his way back to Illinois and induction into the armed service.....Four busloads of youngsters (around 200) home safely last night.....after a visit to the Shrine Circus at Reno yesterday .....jockeyed by drivers Harry Eaton, Erv Waters, Mike O'Rourke and George Turner.....who also helped a handful of mothers chaperone the outing.....Dr. Oliver Scow Jr., Truckee's new dentist, with patients in the chair.....before the ink on his Air Force discharge and the paint of his new sign on Front Street were quite dry.....Frankie and Jacquie Titus putting in long hours remodeling their home on Church St. right back of the Riverside Hotel.....

Real Estate Licenses Reflect Population

SACRAMENTO —(C. N. S.)— reflecting the huge population increase in California, about 5,000 more real estate saleman licenses were issued in the 1951-52 fiscal year than in the previous year, D. D. Watson, state real estate commissioner, reports.

A total of 33,780 salesman licensse were issued during the year. Total number of licenses of all types issued by the division was 98,361, highest on record, the recommissioner said.

U.N. Spurs Drive Against Desert Locust

Since Biblical times, the farmers of the Middle East have considered the desert locust a sort of "Public Enemy No. 1." This situation has not changed much, but now, for the first time in history a number of nations are joining forces with the Food and Agriculture Organization of the United Nations (FAO), to combat the plague. Above, entomologists of the USA and Pakistan examine dead locusts on a desert of Pakistan. Through its expanded program of technical assistance FAO is offering material aid in combatting the plague.

MINIMUM AGE LAW FOR CHILDREN IN SCHOOLS EXPLAINED

Laws now in effect relating to the age at which children may be admitted to school require that an age of four years and nine months must have been reached on or before September 1, 1952, in order to qualify for kindergarten enrollment. Thus, a child must have been born on or before December 2, 1947, in order to be eligible.

First grade pupils must have been born on or before December 2, 1946, in order to have attained an age of five years and nine months. Children who attended and completed kindergarten last year and who were four years and six months old on September 1, 1951, may be admitted to the first grade at the age of five years and six months.

Evidence must be furnished by the parent or guardian that a child is of proper age for admission to kindergarten or first grade. A birth certificate or other acceptable evidence is required.

For children born in California, parents may obtain birthdate verification for school purposes without charge from the county recorder's office in the county of the child's birth. Birthdate verification of children born out of California may be obtained from the bureau of vital statistics of the particular state.

AT RAINBOW

Trout caught in nearby streams and cooked as the piece-de-resistance in the mountain home of Helen and Ernie Johnson at Rainbow was a treat for Mr. and Mrs. Henry Von Berg of Manteca, the gusets for a week of the Summit couple.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA 5325

In the Matter of the Estate of VELTON L. DEATON, also known as V. L. DEATON, Deceased.

NOTICE OF TIME SET FOR PROBATE OF WILL

A document purporting to be the Last Will and Testament of VELTON L. DEATON, also known as V. L. DEATON, deceased, having on the 6th day of August, 1952, come into the possession of said Superior Court, and a petition for probate thereof and for the issuance of letters testamentary to Edythe Deaton having been filed by said Edythe Deaton with me, the Clerk of said Court, notice is hereby given that Monday, the 8th day of September, 1952, at 10 o'clock A.M. of said day, in Department ....., at the Courtroom of said Court, at the Courthouse, in the City of Nevada, in the County of Nevada, has been set as the time and place for proving the will of said Velton L. Deaton, also known as V. L. Deaton, deceased, and for hearing the application of said Edythe Deaton for the issuance to her of letters testamentary, when and where any person interested may appear and contest the same.

GIVEN UNDER MY HAND and the seal of said Superior Court this 6th day of August, 1952.

later was removed to South San Francisco by the Truckee ambulance. Mrs. Wild was treated for shock and minor injuries at the local hospital.

Notice of Intention to Engage in The Sale of Alcoholic Beverages

August 6, 1952

To Whom it May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows: Hwy 40, East end Donner Lake, 3 mi. West of Truckee.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licences) for these premises as follows: ON SALE BEER

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

CHESTER WEYMAN
WALTER WEYMAN

Family Hurt

Cars driven by Policarpo R. Rubia, 47, San Francisco, and Rudolph Nelson, 39, Belmont, collided on Donner Grade Saturday morning shortly before noon, injuring Nelson, his wife, Blanche, and their two children, Beverly, 16, and Jackie, 7. All were treated at the Tahoe Forest Hospital.

Rubia was cited by Patrolman Stallard for driving on the wrong side of the road and without due caution.

Patrolman Carroll Maynard on Saturday evening cited Gordon J. Richmond Jr., 35, Oakland, for speeding and being on the wrong side of the road after Richmond's car collided one mile east of the junction of Highways 20 and 40 with one driven by Rudy D. Marvin of Van Nuys. No one was seriously hurt.

Gene A. Davis, 25, Marysville, was cited for failure to signal following a crash Thursday night, three miles west of Soda Springs, with a car driven by Ronnie F. Sanford, 16, Tahoe City. Patrolman Gautsche investigated. No one was reported injured.

Pedestrian Hit

Harry H. Plummer, 47, San Rafael, who had stopped for a brief visit with his friend, Arthur Lindauer, at Donner Lake, was injured when he was struck by a car driven by Richard O'Brien of Cleveland, Ohio, as he crossed Highway 40 in front of the Lindauer home Tuesday night at 6:00 o'clock.

Patrolman Martin Sturcke cited Plummer for failure to yield the right of way to the motorist.

Plummer, an expert pistol shooter, was en route to Florida to take part in a national contest. He told Sturcke he looked both ways and failed to see the car until it struck him. He was taken to the Tahoe Forest Hospital by Truckee ambulance for severe cuts on one leg and his elbow.

From Sacramento—

Mr. and Mrs. Ernest Guidotti of Sacramento, former local residents, were weekend visitors with friends and relatives here.

Flys North—

Vicki Joseph left this week by airplane for her home at Tacoma, Washington, following a visit of several weeks with her grandfather, Richard Joseph.

Visit from Capital—

Mr. and Mrs. A. Filipcic of Sacramento were weekend guests at the Donner Lake home of Mr. and Mrs. K. L. Kielhofer.

Up from Berkeley—

Mr. and Mrs. "Pete" Klungess of Berkeley were weekend visitors at the James Walker home.

TRAIN RADIOS TO BE INSTALLED IN TRUCKEE REGION

Extensive radio communications systems are being installed by Southern Pacific to facilitate train operations in the Sierra, Cascade and Siskiyou Mountains, enlarging the railroad's already heavy use of electronics, according to D. J. Russell, president of the company.

Freight trains operating over the Tehachapi Mountains and along the southern California coast have been equipped with radio for some time, Russell said. The use of radio to speed communications in large switching yards of the railroad has been increasing rapidly for the past six years, he added.

The new installations, being carried on under direction of A. E. DeMattei, superitenndent of communications for Southern Pacific, are expected to be completed before next winter.

In the Sierra, radio will be used to and from the "City of San Francisco," "San Francisco Overland" and "Gold Coast" passenger trains; to and from mobile units of snow fighting equipment and between fixed stations in case of failure of wire lines, Russell said. Radio was used experimentally on snow fighting equipment in the Sierra last winter.

First permanent installations in the Sierra have been authorized in stations of Colfax, Emigrant Gap, Norden and Truckee and these radios can be cut into the wire circuits at any of these points to bridge possible wire trouble or to permit contact with any radio equipped train within range of the stations, the president explained.

He reported that the business cars of Superintendent M. L. Jennings of Sacramento Division and Superintendent L. P. Hopkins of Portland Division have already been equipped with radios and are in regular communication with fixed radio stations while traveling over the divisions.

In its mountain radio installations the railroad is using three radio frequencies, one frequency reserved for train crews in communicating between head and rear end of their train, one for snow fighting equipment and the third for communications with or through the fixed stations. In the yards other frequencies are used for the switch engines and the walkie-talkies.

MRS. H. COPELAND IS HONORED HERE AT GIFT SHOWER

Mrs. Herbert Copeland was honored at a post-nuptial shower on Friday evening, given by Mesdames Robert Bick, Earl Smith and N. S. McCrary in the home of the latter. The feted guest, who will leave Sunday for Oceanside where she will join her husband now in the Marine Corps, was the recepient of many lovely gifts for their home.

Dutch whist was played and later a buffet supper was served.

Out-of-town guests included Mesdames G. R. Bennett, Archie Cavitt, Ridgley McCrary, Arthur Williams, L. A. Davidson, Kenneth Davidson, all of Roseville; Roy McKinnon, Eugene Ilardi, Stanley Richards, of Sacramento; W. R. Cartwright of Richmond; Stanley McCoy, Horace Williams of Ryde.

Local friends present were Mesdames Kenneth Faulkner, E. C. Bavier, J. V. Copeland, Harry Notley, Sam Costa, Roland Sutton, Walt Loynd, Earl Stice, Joseph Straub, Stanley Zwarg, E. L. Loynd, A. Ghirard, V. Cozzalio, Douglas James, A. E. Burlingham, Oscar Quam, Cecil Clepper, Anton Mahne, I. Firpo, Laurence Frey, John Street, L. D. Nelson, John McGlade, A. L. Davidson, Claire Ellert, Jean Mathis, and Misses Ruth Burrell and Dorene Quam.

Call on Kalers—

Recent visitors at the J. E. Kaler home were Mr. and Mrs. Larry White and Larry Jr. of Citrus Heights, Mrs. White is the former Margaret Ann Kearney. Miss Lizabeth Kaler, Jay Richeson, Carolyn Warner and Yvonne Garrison, all of Sacramento, spent the weekend at the Kalers'.

In Hospital—

James Hislip, well known Truckee man, is a patient at the the Tahoe Forest Hospital following a heart attack.

In Woodland—

Mrs. Robert Luck returned from Woodland where she and her son and daughter-in-law, Lieut. and Mrs. Vernon Brewster, of San Diego visited relatives.

Little Guests—

Mr. and Mrs. Richard George and daughters of Hayward are visiting Mr. and Mrs. R. N. Little. Mrs. Ward Sorick of Berkeley was also a recent visitor with the local couple.

At Auburn—

Mrs. Rose Kielhofer was a weekend visitor with Mrs. J. F. Lichtenberger at Auburn.

Sister's Guest—

Henry Lichtenberger of Roseville visited his sister, Mrs. Dan Smith, here over the weekend.

At Portland—

Mrs. Wayne Philippi has been visiting relatives in Portland, Ore., the past two weeks.

Society Meeting—

The Woman's Society of Christian Service is meeting today at the home of Mrs. Daven Morey.

Visit Parents—

Mr. and Mrs. Earl Edmunds of Reno visited the former's parents, Mr. and Mrs. Cecil Edmunds, during the weekend.

Homewood Guests—

Judge and Mrs. Peter J. Shields of Sacramento; Knowles Dryerson, former dean of the College of Agriculture at Davis, and Mrs. Dryerson, and Mr. and Mrs. P. R. Leake, publishers of the Woodland Democrat, are guests of Mr. and Mrs. Don Huff at Homewood.

Flying Trip to City—

Mrs. E. L. Loynd and daughter Judy and Lee Rich of Lake Tahoe returned recently from San Francisco, where they saw the Ice Follies, attended the theater and famous points of the city. The trip was made by airplane, the first for the local people.

IN THE MOST RECENT INSTALLMENT IN THE "ADVENTURES OF MICKEY SPILLGORE, PRIVATE EYE," MICKEY IS LOCKED IN A ROOM WITH A COBRA, A BOMB, AND A GANG OF MURDEROUS CRIMINALS---

NOW AS THE CREATOR OF MICKEY SPILLGORE, I WILL OBSERVE IF ANY HUMAN BEING CAN ESCAPE A HORRIBLE DEATH WITH THE ODDS STACKED SO AGAINST HIM---

HISSS

SPUTT

BELIEVE ME, SIR, I'M ON YOUR SIDE IN SPITE OF THE IMPRESSION I SEEM TO BE GIVING THAT I'M AIMING THESE BULLETS **SQUARELY BETWEEN YOUR EYES-**

NO HARD FEELIN'S, PAL--I ALWAYS ADMIRES A TRUE ARTIST WITH YER FINE SENSE O' REALISM!

SPUTT

HISSS

BANG!

ONE WEEK LATER--

WHAT (GROAN) HAPPENED?

A **MIRACLE**, MR. GROGGINS-YOU SURVIVED A **BLAST OF DYNAMITE THAT WOULD HAVE RAZED THE STATE OF TEXAS!**

AN' I SUPPOSE THAT LITTLE RUNT THAT WRITES THE MICKEY SPILLGORE STORIES GOT A PRIZE FER GIVIN' EVERY FINE DETAIL O' HOW A MAN CAN SURVIVE A DEADLY COBRA, DYNAMITE AND THEM BLARSTED BULLETS!

WHAT **I** (GROAN GOT, **YOU** CAN HAVE **IN SPADES!**

WHAT'S **HE** COMPLAININ'. ABOUT?

OH, THAT'S THE MAN WHO WRITES THE SPILLGORE STORIES. THEY BROUGHT HIM IN THIS MORNING!

HOW COME, PAL---DIDN'T YER PUBLIC LIKE THE WAY YOU RESCUES MICKEY--ESPECIALLY SINCE IT WAS ALL BASED ON **FACT?**

FACT- **BAH!**

THEY CLAIMED **NO HUMAN** COULD HAVE SURVIVED WHAT YOU DID-CALLED ME A LIAR, A FAKE, A PHONY!! THEN THEY (SOB) BEAT ME TO A **BLOODY PULP!**

WHICH MERELY PROVES WHAT SOME O' ME CRITICS HAVE ALWAYS INSISTED ---NAMELY, THAT BEIN' A GROGGINS ISN'T THE SAME AS BEIN' **HUMAN!**

AND WHAT WOULD HAPPEN IF YOU WERE A FEW MINUTES LATE?

8-10

HE MIGHT BEGIN **WITHOUT** ME!!

STRANGE as it seems

ELSIE HIX ®

A MOUNTAIN BROOK WITH REDWOOD TREES LINING ITS BANKS *RUNS THROUGH THE INDOOR DINING ROOM* OF BROOKDALE LODGE, *Brookdale, Calif.*!

NOT ALL *MINNOWS* ARE *SMALL*-- ONE SPECIES, THE COLORADO RIVER SQUAWFISH, ATTAINS A LENGTH OF FIVE FEET AND A WEIGHT OF 80 POUNDS!

THE FIRST CULTIVATED ROSE BUSH IN NORTHERN ARIZONA WAS BROUGHT TO PRESCOTT BY MRS. RICHARD McCORMICK IN 1865, FROM RAHWAY, N.J., BY WAY OF THE PANAMA CANAL... IT STILL BEARS BEAUTIFUL BLOOMS EVERY SPRING...

A MAPLE TREE IS FIRST TAPPED WHEN IT IS 40 YEARS OLD ...

MANY TREES STILL PRODUCE WHEN THEY ARE 200 YEARS OLD!

IT TAKES ONE YEAR FOR THE FRUIT OF THE COCONUT TO RIPEN!

NEVADA HAS MORE WILD HORSES THAN PEOPLE!

DWARF SCRUB SPRUCE WILL GROW FROM GIANT SPRUCE SEEDS ON MOUNTAINTOPS!

JOE INKS®

by HENRY FORMHALS

WELL, THERE SHE IS! THERE'S OUR LAKE!

IT SEEMS MORE BEAUTIFUL EACH YEAR!

AH! IT'S **WONDERFUL!** YOU FOLKS UNPACK TH' CAR WHILE I JUST STAND HERE AN' ABSORB SOME OF THIS MOUNTAIN AIR AN' SCENERY!

I'M GONNA REALLY **REST** ON <u>THIS</u> VACATION ---

JOE! THERE'S A FAMILY OF MICE IN THE BEDROOM CLOSET!

AND THERE'S A NEST OF HORNETS BY THE BACK DOOR! AND ONE STUNG ME!

SOMETHING'S WRONG WITH THE WATER PRESSURE! I CAN'T GET A DROP OUT OF THE KITCHEN FAUCET!

AND THERE ISN'T ANY FIREWOOD AT ALL! YOU'LL HAVE TO CUT SOME BEFORE I CAN PREPARE DINNER!

THERE'S A BIG HOLE IN THE SCREEN AND THE MOSQUITOES ARE POURING IN!

THERE'S A LOOSE BOARD ON THE PORCH AND IF IT ISN'T FIXED SOMEONE WILL BREAK A LEG!

DON'T FORGET THAT SNOW COVER ON THE CHIMNEY HAS TO BE TAKEN OFF!

JOE!

I KNOW! I SMELL HIM, TOO! VERY OBVIOUSLY A SKUNK IS UNDER THE FLOOR! I'LL SEE WHAT I CAN DO ABOUT REMOVING HIM – IN DUE TIME!

8-10

—AND ALSO I'LL TAKE CARE OF ALL THOSE OTHER CHORES IN THEIR PROPER ORDER! BUT, FIRST I HAVE SOMETHIN' FAR MORE PRESSIN' THAT I'M GOIN' TO ATTEND TO!

IMPORTANT THINGS SHOULD COME **FIRST,** I ALWAYS SAY!

VEN A PROFESSOR GETS BITZY YOU CAN'T STOP HIM

ANYHOW, FOR DER TIME BEING, NATURE ISS SAFE

BY R. DIRKS

WHOA, PROFESSOR! DOT'S NO BUTTERFLY; DOT'S A PEMMICAN! VOT YOU NEED ISS NEW GLASSES - BETTER YOU TEACH NATURE MORE ON DER GROUND

NATURE ISS NATURE, UPSTAIRS OR DOWN. YOU VANT DER BOYS TO LOIN, ISS IT NOT SO?

SO TODAY BEGINS DER NATURE LESSON MIT EGGS! HERE VE GOT DER ALLIGATOR. HE LAYS DER EGGS IN DER VARM SAND! GET DER IDEA, DUMKOPHS?

VILL DEY BITE?

DON'T DER MAMA HAFF TO SIT ON 'EM?

IGNORANTS! IT'S DER OSTRICH VOT SITS ON DER EGGS. COME I SHOW YOU

VE BE RIGHT MIT, PROFESSOR

BOY, ISS VE LOINING!

AH, HERE VE ISS, CHENUINE OSTRICHERS! BUT VARE ISS DER MAMA?

HIDE QUICK, PROFESSOR - SHE ISS ON DER VAY!

-UND SHE DON'T LIKE WISITORS

QUIET, EFERYBODY - UND VEN DER EGGS HATCH, BINGO - LIDDLE OSTRICH--ERS

FUM HEFFEN GE-SENT

AHA! CHUST VAIT VEN DER NATURE SOCIETY HEARS ABOUDT DISS!

MITOUDT A DOUBTLESS, NATURE ISS GRAND

BETCHA IT GIFFS A MEDAL, PROFESSOR

GROOMP

GLEEP!

PEEP!

PEEP

NATURE

Tarzan®

by EDGAR RICE BURROUGHS

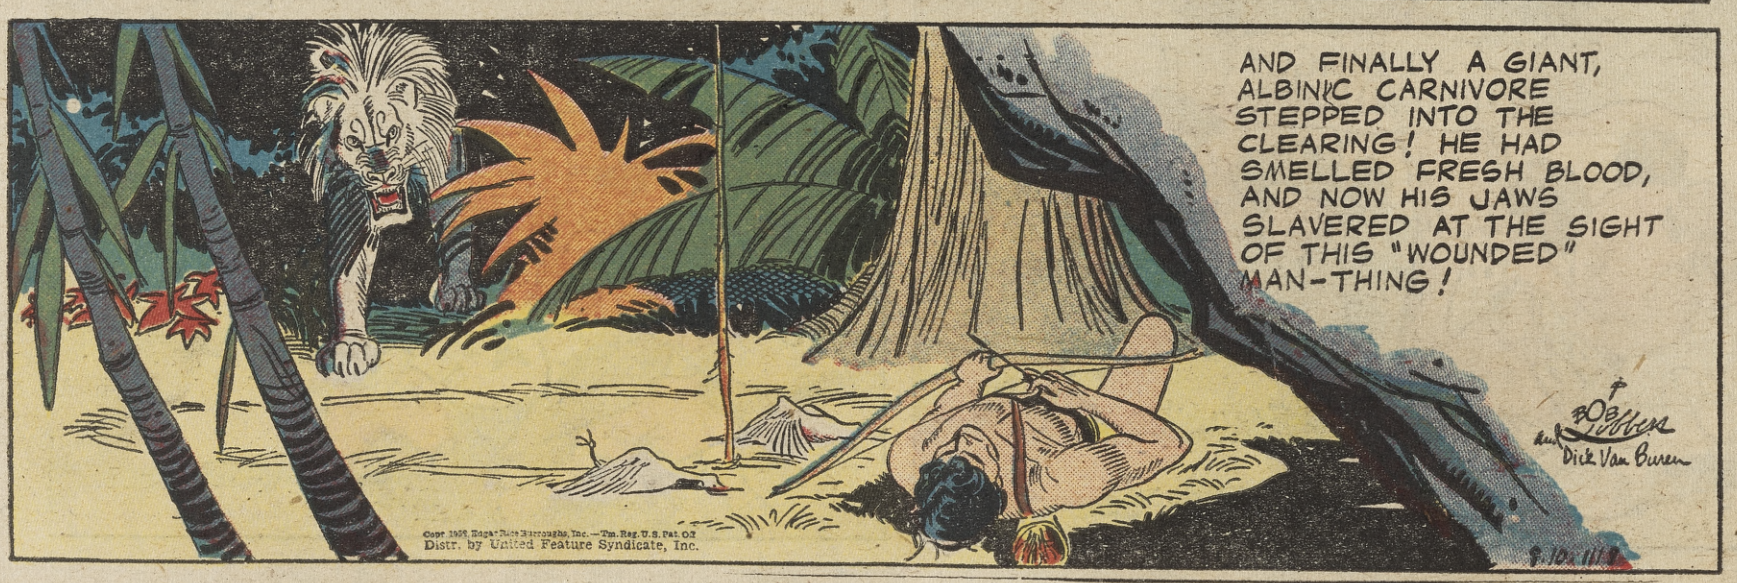
AFTER PLOTTING TO DESTROY THE DEADLY WHITE LIONS, TARZAN CALLED FOR THE MOST STALWART WARRIORS TO ASSIST HIM.

THE GROUP OF DETERMINED MEN FILED SILENTLY THROUGH THE FOREST. THEY CARRIED A LONG, GRASS ROPE, AND THREE FRESHLY KILLED CHICKENS -- THE ONLY EQUIPMENT TARZAN REQUIRED FOR HIS PLAN.

WHEN THEY REACHED THE LIONS' HABITAT, THE APE-MAN HID PART OF THE ROPE, HOOP-LIKE, IN FRONT OF A V-SHAPED ROCK.

"NOW QUICKLY," HE SAID. "TAKE THE OTHER END HIGH UP IN THAT TREE BEFORE NUMA GETS YOUR SCENT-- AND DON'T FORGET," HE SMILED GRIMLY, "WHEN TO PULL THE LASSO TIGHT!"

THEN TARZAN LAY DOWN BEHIND THE CONCEALED ROPE. HE SCATTERED THE CHICKENS IN FRONT OF HIMSELF, DREW HIS BOW IN READINESS-- AND GROANED LOUDLY, CONTINUOUSLY, HOUR AFTER HOUR --



AND FINALLY A GIANT, ALBINIC CARNIVORE STEPPED INTO THE CLEARING! HE HAD SMELLED FRESH BLOOD, AND NOW HIS JAWS SLAVERED AT THE SIGHT OF THIS "WOUNDED" MAN-THING!
